In the context of this Risk Assessment, the risk of ‘Harm’ is as defined in the Children First Act 2015 and not general health and safety risk.

Section 2 of the Children First Act 2015 defines ‘Harm’ as follows; ‘harm means in relation to a child – (a) assault, ill-treatment or neglect of the child in a manner that seriously affects or is likely to seriously affect the child’s health, development or welfare, or (b) sexual abuse of the child.’

Solstice Arts Centre has attempted, as far as possible, to identify the risks of harm that are relevant to children and young people participating in activities both on the premises of, or organised by, Solstice Arts Centre and to ensure that adequate control measures, policy and procedures are in place to manage all risks identified. While it is difficult to foresee and remove all risk of harm, Solstice Arts Centre operates with regard to the control measures, policy and procedures listed in this Risk Assessment to manage and reduce risk as far as possible.

This Risk Assessment has been conducted by Solstice Arts Centre as part of our review of our Child Protection & Safeguarding Policy.
1. Procedures

Our Child Safeguarding Statement has been developed in line with requirements under the Children First Act 2015, *Children First: National Guidance for the Protection and Welfare of Children* (2017), and Tusla’s *Child Safeguarding: A Guide for Policy, Procedure and Practice*. In addition to the procedures listed in our risk assessment, the following procedures support our intention to safeguard children while they are availing of our service:

- Procedure for the management of allegations of abuse or misconduct against workers/volunteers of a child availing of our service;
- Procedure for the safe recruitment and selection of workers and volunteers to work with children;
- Procedure for provision of and access to child safeguarding training and information, including the identification of the occurrence of harm;
- Procedure for the reporting of child protection or welfare concerns to Tusla;
- Procedure for maintaining a list of the persons (if any) in the relevant service who are mandated persons;
- Procedure for appointing a relevant person.

All key staff will complete the Tulsa eLearning module – Introduction to Children First

2. Implementation

We recognise that implementation is an on-going process. Our Centre is committed to the implementation of this Child Safeguarding Statement and the procedures that support our intention to keep children safe from harm while availing of our services.

This Child Safeguarding Statement will be reviewed on 27/11/2020 or as soon as practicable after there has been a material change in any matter to which the statement refers.
