# How to make an Origami Heart

1. Fold a square piece of paper in half point to point
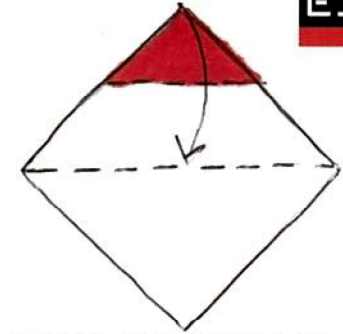

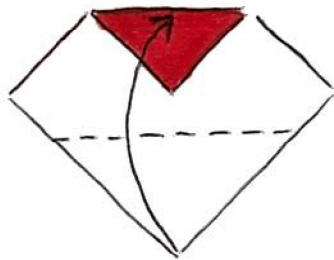

2. Open up the fold

3. Fold the other half point to point

4. Open it up again

5. Fold along the upper imaginary dotted line

6. Fold along the lower dotted line

7. Fold along the dotted line to the right

8. Repeat on the left side

9. Flip over

10. Fold along the top right dotted line
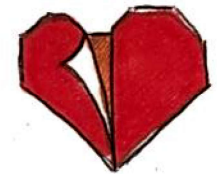

11. Do the same on the left side

12. Fold along the dotted line on the left edge

13. Repeat with the right side

14. Flip over. Well done, you have made your Christmas Heart

15. You can write a little message inside too x
